Mario H. Capogrosso

A. Not really. Not really.

I worked as an engineer after I 4 graduated, I graduated in 2000. I still Page 16

Page 17

5 enjoyed working as an engineer.

But the company I worked for 7 wanted me to travel, and I didn't want to

8 travel anymore. They wanted me to go to the

9 west coast, California, and be an engineer in

10 one of the power -- out in Washington State,

11 actually, not California.

12 I didn't want to go to Washington

13 State. I just didn't. I said, let me -- I

passed two bars, New York and Connecticut,

15 but I was still working as an engineer.

16 I said, all right. Let me send

17 out a resume, see if somebody gives me a job.

18 I got a job offer, and I went and took it.

19 O. And where -- where was that job

20 offer?

21 That job offer was at the A.

22 Brooklyn TVB.

Okay. So you applied to work at 23 O.

24 the Brooklyn TVB? 25

No. I applied to an attorney.

Page 15

I Mario H. Capogrosso

2 Terry Kalker, who is a lawyer down there who

was looking for a lawyer. I sent him [sic]

4 my resume. She [sic] responded. I said, you

5 know, I don't know what type of work she did.

But I went down, started working 7 for her as one of her attorneys.

8 O. And how do you spell Ms. Kalker's 9 name?

10 ۸. $K-\Lambda -- 1$ think $K-\Lambda-L-K-E-R$.

11 O. And so can you tell me a little

12 bit about working for Ms. Kalker?

13 Well, when I worked for her, it

14 seemed fine when I first started. When I

15 first started, it seemed fine.

But she made certain

17 representations to me that she didn't

18 fulfill. Now I was getting -- now medical

19 insurance is very important to me, and making

20 a representation of following through with it

21 is very important to me.

She made a representation that I

23 would have medical insurance after three

24 months. I worked for her for three months.

25 and I said, where is my medical insurance?

Page 18 Page 20 Mario H. Capogrosso 1 1 Mario H. Capogrosso 2 Because I had it in my previous job. 2 O. And that is without expenses? 3 Working for an engineer, if they 3 ۸. Without expenses. Without 4 say something, they do it. 4 medical insurance. No, maybe it was 50, 1 Terry Kalker didn't do that. She 5 am not sure. I think maybe it was 50. Maybe 6 said, well, you will get medical insurance a 6 it was 50. I think she offered 40, and I got year and three months from now, which upset 7 her up to 50, something like that, between 40 me greatly, very greatly. 8 and 50. It was either 40 or 50. I am not 9 So at that point I said, all 9 exactly sure. I don't remember. She paid 10 right, you don't want to pay me medical 10 me, you know, a weekly check. It might have 11 insurance, you are not upholding what you 11 been 50. Might have been. 12 said you were going to do. 12 And how did that compare to your 13 I left her and went into practice 13 engineer -- your work at the engineering 14 for myself. And that is what I started doing 14 firm? What were you paid there? 15 in June, June of 2005. I started work for 15 A. I was paid more, and they were 16 Terry Kalker in April 2005. April or March of 16 paying expenses. I don't recall the exact 17 2005. I only spent three or four months with 17 last salary I had as an engineer, but it was 18 her. 18 more than that. 19 19 O. And how did she respond when you O. Do you have a ballpark figure. 20 objected? 20 approximately? 21 She continued with that 21 Maybe 57 or 80, plus they gave me 22 affirmation, you will get your insurance from 22 per diem, which means when I went to a job 23 a year. I said, that is unacceptable. I 23 site, which I often did, they gave me a daily 24 said, you can't make a representation and per diem. 25 don't follow through with it. 25 Or if I had to stay there for Page 19 Page 21 1 Mario H. They treated their 4 said, that is enough. Gas, tolls. 14 So at that point I said, you 15 know, you are not going to truthful with me, 16 I don't feel comfortable working with you. I 17 decided to end it. 18 My clients who I was representing 19 liked me, liked my representation, so I said,

20 I will do this on my own, which is what I 21 did. 22 So what was your salary with Q. 23 Ms. Kalker?

24 That beginning salary, what I 25 recall was \$40,000 a year, back in 2005.

12 and so I said, let me give it -- I went to 13 law school and I passed two exams, so let me 14 try it. And I did, and my clients liked me. 15 And so you started your practice 16 before TVB, your solo practice before the TVB 17 at -- in summer of 2005, correct? 18 June, early July, late June, 19 early July 2005. 20 And can you sort of describe your O. 21 practice to me. 22 I represented motorists at 23 hearings, traffic violation hearings. The 24 clients loved me. Police officers didn't 25 like me because I really grilled them, did

6 (Pages 18 - 21)

l Mario H. Capogrosso 2 grill them. I went after them. My clients loved me; they did. 4 I submitted several reviews to 5 you, many reviews. My clients really liked 6 me as an attorney, they did. Police officers 7 didn't. I really went after a police officer 8 in the court, I did. It was my obligation. 9 I felt an obligation to my clients to 10 zealously defend.

11 I remember taking that oath when 12 I got admitted into the bar, you have an 13 obligation to zealously defend, and that is 14 what I did.

Was your practice primarily in 15 Q. 16 the South Brooklyn TVB?

17 Yes, pretty much. Occasionally I 18 would get -- what happens is you get a ticket 19 that sometimes go to other courts, another

20 tribunal, so if you took it -- you take it,

21 you went. Sometimes you get one Upstate.

22 Upstate New York or Long Island. And you

23 took the case, you had to go, and I went.

24 Predominately it was in Brooklyn South. 25 If you have to put a percentage

Page 23 1

20

Mario H. Capogrosso 2 on that, what percent of your work would you

3 say was in the South Brooklyn TVB? Ninety percent. 90 percent.

5 Did you practice before any other 6 administrative tribunals other than the TVB?

Let me think. Other Α. administrative.

I went to criminal court, 346 10 Broadway, which is down in New York City. I 11 went to criminal court often. Occasionally.

12 Sometimes they had a pink ticket,

13 which is not a yellow ticket, and I would 14 have to go down to criminal court. But that

15 wasn't a --

16

Can you explain that to me? Q.

17 Well, sometimes some of these

18 motorists would get, as opposed to a yellow

19 ticket, they would get a pink ticket, which

20 was covered by the penal code of New York

21 State, and it is a little more graver

22 implications.

23 Normally everything got pled out.

24 But I would go down to certain criminal

25 courts. That's where police officers gave

Page 22 Mario H. Capogrosso

2 violations, summons that had criminal

3 implications. They were held at a different

4 court, and I went there. But for the most

5 part, that was it.

Q. Did you do any other criminal 6 7 work outside of the pink tickets?

A. I had one where a guy was accused 9 of stealing some groceries from a grocery

10 store, and another one where a man got

11 involved in an altercation with his --

12 another man concerning parking his truck in

13 front of his business.

14 And I went down to Red Hook 15 Criminal Court in Red Hook. I went out to

16 immigration court once, and I represented a

17 client there who never showed up for his

18 hearing, and the case got thrown out. That

is what I recall. That is what I recall.

And so no other administrative

21 tribunal other than TVB?

22 Α. No. That would be it.

23 O. Did you ever practice before the

24 OATH, the Office of Administrative Trials and

25 Hearings for New York City?

Page 25

Page 24

Mario H. Capogrosso

2 No. I would have remembered A.

3 that.

O. So you said that you had

5 litigated a couple of criminal cases in

6 New York State Court and one immigration

7 case.

8 Have you litigated any other

cases in State court, criminal or civil?

A. Well, after that point in time I 10

11 worked for an attorney down in Brooklyn, so

12 yes, there were other cases I have litigated. 13

I worked for an attorney in 14 Connecticut after I was removed from the

15 Brooklyn TVB system, the New York TVB system.

I worked for an attorney in Connecticut.

17 I worked for an attorney -- as an

18 independent -- well, and I worked for an

attorney in Brooklyn.

20 Q. So let's step back to the TVB for

21 a second.

22 Did you like practicing at TVB?

23 I loved it. I loved it. They

24 were short: Got there at 8:30 the day was

25 over by 4:00. I loved it. I loved my

7 (Pages 22 - 25)

I liked it. 2 long were you planning on continuing to 3 It wasn't a whole bunch of preparation for 3 practice at the TVB? Were you thinking of 4 it. 4 retiring at some point? 5 It was the same defenses, for the 5 A. I am a working man. I am going 6 most part. I liked being the courtroom. I 6 to die -- I am going to work until I die. I 7 liked to speak. My clients liked me. am a working man. I was brought up that way. I was right down by the water. I I told you after I left Columbia, 9 loved going to the beach. Afterwards, I 9 my father put me as a laborer, and I worked 10 would go to beach. I loved it. It was a 10 as a laborer. I am a working man. I am short day. It was nice. I loved it. 11 going to work until I can't work anymore. I 12 You said a short day. 12 don't believe in retirement. I am going to 13 What were your average hours? 13 work until I can't work any longer. That is 14 8:30. Court opened at 8:30. Got 14 my opinion. That is how 1 --15 there right at 8:30 or 8:15. The doors 15 All right. So after you were Q. 16 opened right at 8:30, and the day ended 16 expelled from practicing before the TVB in 17 Monday, Tuesday, Wednesday, Friday by 4:00. 17 2015, what did do you for work? 18 All cases are wrapped up by 3:30. On A. Afterwards, very difficult to 18 19 Thursday it went later, until 6:00. That was 19 find work. I am not a youngster. Very 20 a late day. difficult finding work. I 24 your calendar was right, and you had to make 24 called every one of them. I said, give me 25 sure you stayed in contact with these 25 your address, and I have to return money. That 6 took a long time, a good portion of time to 7 clear all the cases up. 8 And then I put out resumes, and I 9 got an offer in Connecticut. I worked from 10 Connecticut. And then I got the offer in 11 Brooklyn; I worked in Brooklyn. 12 So tell me about the position in 13 Connecticut. What organization was that 14 with? 15 Α. It was for a law firm in 16 Connecticut. 17 O. And what was the name of that law 18 firm? 19 Α. Law Firm of Frank Peluso. 20 P-E-L-U-S-O. 21 P-E-L-U-S-O. 22 And when did you start working 23 there? 24 You don't want me referring to my 25 resume. Let me think. 2015, this happened.

So everything was always paid on 1099. 12 So was I officially with the 13 firm. I reported to the firm every day. I 14 reported to him every day. 15 Was I under -- was I salaried 16 employed? 2 And if you had to estimate, how 3 many personal injury cases did you do while 4 you were there?

Oh, I don't know. Personal 6 injury, maybe -- oh, I don't know. The cases 7 were all -- he had a lot of them. The ones I 8 actually bring to complete -- I worked on a 9 lot of them. Do I recall?

10 You know, he had a lot -- he had 11 cases. But the ones I actually brought to 12 completion while I was there, maybe three or 13 four.

14 O. And cases you worked on, in 15 total? Just estimate.

16 Α. At least 50. At least 50 cases 17 that I had. But I only brought to completion 18 maybe three or four, in terms of --

19 How many criminal cases would you 20 say you worked on with the Peluso firm?

21 Oh, he had cases, five or six

22 that I completed. I said they were ongoing.

23 They don't get completed overnight. They

24 were ongoing.

Yeah. Five or six that you

1 Mario H. Capogrosso 2 completed.

> 3 And what is an estimate of how 4 many that you worked on at one point or 5 another?

A. He had a caseload. He had at 7 least 75 cases in the office that I touched. 8 that I had to get some type -- you know, that 9 I was working, that he was throwing at me on 10 different levels.

Page 36

11 The Peluso Firm, did you do any 12 legal work other than personal injury and criminal defense?

14 Α. We had a land dispute, a land 15 dispute that I helped resolve. We settled that between parties, between two parties. Somebody putting up a fence, that I remember. 17

18 What else? Divorce case that I 19 helped work on. And that was it.

20 Okay. And when did you stop 21 working for the Peluso Firm?

22 Α. When I found out that he lost the 23 malpractice.

24 O. And when was that? 25

Α. That would have been -- let me

Mario H. Capogrosso 2 see. Probably in '17. The beginning of 3 2017. Beginning of 2017. Yeah, 2017.

Okay. And what did you do after you stopped working with the Peluso Firm?

Well, then I was looking for 7 work. It is not easy, finding a job at my 8 age. I am 59 years old, not easy. I started 9 looking for work.

11 I was doing per diem work. I was sent out 12 to -- they have this thing called Attorneys 13 on Demand, AOD. I put my resume out there. 14 So I would go -- for a while I was doing 15 that. Attorneys on Demand. If they had a

19 O. And about how much were you paid

21 ۸. Oh, geez, it was substance level.

22 You had to bargain with them, too. You know,

23 there was a lot of attorneys. You know. 24 everybody -- if you were an attorney that

I will have to figure it out. 25 Q. When you say pandemic assistance,

But I do get PUA, pandemic 8 unemployment assistance. But it is going to 9 be running out. You get 39 weeks of it. 10 Q. So you haven't done any legal or 11 other work since leaving the Jiang firm in 12 March; is that correct? 13 Other than the work on my case. 14 and other than work on this case, no. 15 Wait, no. I had one client. He 16 is a friend, not really a client. He was a 17 friend that I talked to about a case. 18 Other than that, no. 19 O. All right. Was that -- did he 20 pay you for that legal advice? 21 A. No. Nope. It was friend. A 22 friend. He was going -- he wanted to try to 23 establish visitation rights with his child. 24 First of all, I don't think it is 25 appropriate to represent friends or family.

7 really don't know. 8 It is not a thing I do often. It 9 is not something I can rely on, let me say 10 that. It is not something I can rely on. I prefer being an engineer or 11 12 being a lawyer. You know, I enjoyed what I 13 was doing down in Brooklyn. I enjoyed being 14 an engineer. 15 I want this resolved. And once 16 this is resolved. I will make the decision 17 what direction to go in. 18 And you had mentioned that if you 19 don't prevail in the case, you would be 20 looking to do something else. Do you mean 21 something nonlegal, or do you have an idea in 22 mind? I don't know. I don't like the 23 A. 24 way the legal professional acts. 1 don't --25 I worked for an engineer a long time in my Page 47 Page 49 Mario H. If I said inappropriate -- if I 5 didn't know anything, I kept my mouth shut. 6 But I would never say -- I would never lie. 7 I mean, it is not accepted. I have dealt with more lawyers and judges who have lied, who have not 10 investigated facts. Terry Kalker, who I 11 started out with, who told me, you will have 12 medical insurance in three months, which was 13 a lie, which is why I left her. Yuan didn't do it. Yuan was a 14 15 straight guy. Frank Peluso, who lost his 16 17 malpractice insurance. 18 I dealt with more lawyers who 19 have lied that I can -- it just disturbed the 20 heck out of me. It does. ļ Mario H. Capogrosso 2 I want to clear my name; that is 3 what I do know. 4 So that is what this case is 5 about for you, clearing your name? 6 Clearing my name and getting the 7 money that I lost that I could have made.

you, I am a working man. 10 I had to return a lot of fees, a 11 lot of fees, and I was put out of work 12 wrongly. Wrongly I was put out of work.

I am a working man. Like I told

13 Q. So can you summarize for me what 14 this case is about?

15 Vindication of my name, my ۸. 16 reputation as an attorney. To getting the 17 money that I lost because I couldn't work as 18 an attorney. The money I had to return.

19 And for a Brooklyn jury to make a 20 decision, whether there are judges and

21 lawyers who have lied on my behalf to get rid 22 of me, because Judge Gelbstein needed a piece

23 of the action. Because he has lunch with

2 believe a Brooklyn jury has to hear it. And 3 people should be punished for their actions.

4 And how I was treated, they should be 5 nunished. That is what this case is about.

So I mean, so some of this is 7 items that I intend to get to a little later

8 in the deposition.

Q You mentioned a couple of 10 incidents just now regarding Judge Gelbstein 11 and some allegations that you feel are valid.

12 You said something about a piece of the

action. Can you explain that to me?

14 First meeting with Judge 15 Gelbstein, first meeting when I arrived, we 16 had a meeting. He arrived pretty much a couple weeks or months after I arrived. He

18 has a meeting with all the lawyers.

19 And one of the first things I 20 remember -- I have a very good memory. I 21 have a very good memory -- how do I get a 22 piece of the action? How do I get a piece of 23 action? This is judge asking for a piece of 24 the action.

25 Q. So can you explain to me sort of

Page 51

Mario H. Capogrosso

2 the context in which that came up, like what

3 was said before that?

A. I don't know if he is saying it 5 in what respect. But if you say to another 6 attorney, how do I get a piece of the action. 7 and you are a judge, and you think you are

8 saying this facetiously or being funny, I

9 don't accept it that way.

10 I don't -- I am a young attorney 11 down there. I am just kind of observing. It 12 hit me the wrong way, for a judge to say, how 13 do I get a piece of the action?

14 He had an attorney's meeting with 15 all the attorneys down there, all the regular

16 attorneys he calls it. He wanted a meeting with everybody when I first arrived. 17

18 Q. And when was this, what year?

19 Well, I started working down in

20 June of -- like I said, June of 2005. So it

was right at that point, after that point, a

22 couple of months afterwards, he arrived:

23 July, August.

24 O. July, August 2005?

25 A. Yes. He had the first meeting

14 (Pages 50 - 53)

And judges like that shouldn't be 4 practicing, and he shouldn't be covered for 5 by his superiors. And complaints should not 6 be made against a hard working attorney like myself, which is what I was,

There was not one grievance from 9 a motorist or a client against -- what he did 10 for them, not one grievance.

11 And my reputation has to be 12 besmirched, and they wanted me out of there 13 because I told the truth and reported what I 14 saw and heard, and they wanted me out of 15 there.

16 And they set me up. Not only the 17 incident with Yaakov Brody, which I think I 18 was set up on, but with these two who --

19 David Smart.

20 And then repeated it -- repeated 21 pleas for help, not only with your office.

22 where my complaint was lost and was never 23 responded to in my letter of March 20, 2015;

24 it was lost.

25

And I believe I was set up, and I

Page 54 Page 56 Mario H. Capogrosso l Mario H. Capogrosso 2 with all the regular attorneys down there, 2 a lawyer. 3 and I was one of them at that point. 3 You say that, and you expect me 4 And can you tell me what happened 4 to not accept it as truth? I don't know how 5 in the meeting? 5 he meant or said it. I know he said it. I He was introducing himself as 6 am testifying to what I heard. I am not 7 Judge Gelbstein, and he makes this remark. 7 getting paid --8 And I didn't know how this game O. Did he say -was played down there. And eventually I 9 A. I am not getting paid to do the 10 found out what is going on. 10 Attorney General -- I shouldn't be looking 11 And looking around, I said, this 11 into this. This is not my responsibility to 12 judge might be getting a piece of the action. 12 be looking into, if a judge says how do I get 13 Was I upset about it? 13 a piece of the action. I don't think it is 14 Absolutely. 14 my responsibility. I reported what I heard. So going back to the meeting, he 15 O. 15 Was there any other context 16 just said out of nowhere -- was anything said 16 about, you know, that indicated what he might 17 before he said that? Did someone ask him a 17 have meant, that you recall? 18 question? Or was he talking about something 18 No. He said, I hope you guys all 19 else? make a lot of money. I know that, something 19 20 Α. No, no. No, just makes the 20 to that effect, that -- you know, I hope all 21 remark, how do I get a piece of the action? you attorneys make money. Just out of nowhere, how do I get 22 He was introducing himself to the 23 a piece of the action? attorneys. And he ended it with how do I get 23 24 Α. Yeah. a piece of the action? 25 Then I see a meeting with ticket 25 Q. All right. So the second item Page 55 Page 57 1 Mario H. Capogrosso Mario H. Capogrosso 2 brokers on a weekly basis. 2 that you raised was something to do with 3 Ticket brokers is a guy who comes 3 ticket brokers. Can you explain that to me? 4 down there; that is what happens. They give 4 Ticket brokers are guys that summons to lawyers, and these ticket brokers 5 gather tickets from the community: Cab are in his office every week. 6 drivers, motorists. And they would bring the And I asked -- walked in one day 7 7 ticket down to lawyers. The lawyers would said, what is going on? 8 take the ticket and argue the case on behalf Let's take a step back to the 9 of the ticket broker and the client without 10 ever meeting the client himself. And they would get a piece of the You had said you didn't think it 12 action, the ticket brokers. 13 was funny, or that he was being facetious. 13 O. So the ticket broker would get a

10 initial meeting that we are talking about 11 here, if you would. 12

14 Was he joking when he said this?

I don't know. I don't know. 15

16 O. Do you think he thought he was 17 joking?

18 Α. I don't know.

19 Listen, I came from a background, 20 if a man said something, you held him to his

word. That is the background I came from. 1

22 came from an engineering background.

23 If a judge says something -- we

24 are all adults here, and he is a judge. He

25 is not a guy; you know, he is a judge. He is

14 cut of the legal fee?

15 The ticket broker would collect 16 the legal fee, which I thought was terrible. 17 and they would pay the lawyer. The ticket 18 broker would take 200 for a ticket, call 19 himself a lawyer. I don't what he was

20 calling himself. Then they would come down 21 to the courthouse, and every -- all the

22 attorneys had them. And the ticket broker 23 would give the lawyer money, and then the

24 lawyer would argue the case, take the case

25 on.

15 (Pages 54 - 57)

Page 58 1 Mario H. Capogrosso Page 60 1 2 Mario H. But to me, there was an 5 There were a lot of ticket 5 appearance of impropriety. I didn't want to 6 brokers, a lot of ticket brokers: Chinese 6 get involved with it. I felt it was ticket brokers, Jewish ticket brokers. 7 abhorrent that ticket brokers would be in his I felt terrible about it. To me, office, abhorrent. 9 I called the bar association about it. 1 Q. Is it correct to say there is one 10 said, is this wrong, for ticket brokers to 10 particular ticket broker who was in his 11 come down and pay lawyers to do tickets for 11 office, the one who he said was a friend of 12 people who are not themselves? 12 his wife's? 13 The bar association couldn't give 13 A. I think there was a father and a 14 me a straight answer. So, you know, for the 14 son. They were related on some basis. They 15 longest time -- first of all, they were 15 were related. She is 17 I didn't want to deal with these 17 not a lawyer. Where is Tanya the lawyer? 18 guys; I really didn't. I really didn't want 18 Where is Tanya the lawyer? She is not a 19 to deal with them. I called the district attorney

24

20 was wrong. They were taking money out of the 20

21 attorney's pocket, number one. Number two, I

22 don't know what kind of representations they

24 representations in order to get these monies

25 from these clients and these motorists. They

23 were making. They were making

212-267-6868

Page 62 Mario H. Capogrosso 1 2 calling herself a lawyer. Does anybody care? 3 She is making representations that she has a 4 legal degree, and she is not a lawyer. 5 You know, I went to law school at 6 night for four years while I worked during 7 the day, a full day as an engineer at a 8 nuclear power plant. I worked at night. 1 9 went a hundred grand in debt to go to this 10 law school. 11 And I paid off every dollar. 12 Every dollar got paid off. I didn't renege 13 on any loans that I took. Every dollar got 14 paid off. I passed two bar exams. 15 And she gets to call herself a 16 lawyer in his courtroom, so I called the 17 district attorney concerning her. There is 18 an investigation made. 19 Next thing I know, she is not 20 there any more. And Gelbstein -- Judge 21 Gelbstein approaches me and says, who are 22 you, Don Quixote? I said, now I know this 23 guy is on the take. Now I know it. He wants 24 everybody to be quiet. He wants everything 25 to go on as is.

Page 63

1 Mario H. Capogrosso 2 It is in my opinion, and I am 3 entitled to my opinion. Now I know this guy is on the take. 5 And so let's take a step back. Ο. 6 This conversation where he said. 7 who are you. Don Quixote, when did that 8 happen? Α. That is after I called the 10 district attorney on this woman, then I don't 11 see her anymore. 12 O. Do you know when that was? 13 You know, when I first got there, 14 I didn't understand the game, who all the 15 players were. But after I started practicing 16 down there, it is when the clerks started not 17 to like me.

They liked Tanya. And I have an understanding why they might have like her.
She was probably paying them off. She was going to the counter and doing business with them on a daily basis. She was going up to

23 the counter, and she would put in and ask for24 tickets. She was given -- the clerks were

25 giving her tickets, summons for the clients

1 Mario H. Capogrosso 2 she had.

I said, how does this woman, who is not a lawyer, and clerks are giving her the summons that she is asking for, and she is not a lawyer? How is she doing this?

7 And she would be rescheduling 8 these cases for these people. So obviously 9 she was giving these clerks something, for 10 them to do this.

11 I said, this is wrong. I said, 12 this is wrong. And the clerks were doing her 13 business.

14 I called the district attorney.
15 yeah, I did. I made that statement.
16 Next thing I know, the clerks
17 don't like me. The clerks don't like me at 18 this point.

19 Q. When was this? Do you remember20 what year?21 A. If I can refer to my document. I

21 A. If I can refer to my document, I 22 can probably look at. It is in one of my 23 exhibits.

One of the clerks said I pushed
because the said I pushed

Page 65

Page 64

1 Mario II. Capogrosso
2 one of the documents, one of the exhibits I
3 gave you. You can look it up. In my
4 affirmation in response, one of them said I
5 assaulted them.

There is no assault. I called
the district attorney. She comes over,
yelling and screaming, did you call the
district attorney? I could have denied it.
I could have denied that I didn't call.
I didn't deny it. I told her the

11 I didn't deny it. I told her the
12 truth: Yeah, I called. You are calling
13 yourself a lawyer. You are doing business
14 down here as a lawyer.
15 She starts yelling and screaming

16 at me. I tried to get away from her, and I
17 walk away from her. We might have brushed
18 shoulders. I don't know. I didn't do
19 anything to her, but she is right on top of
20 me.

Now these clerks didn't like me
for that. I have a feeling for that, I
really do, that I called the district
attorney.
Judge Gelbstein didn't like it.

17 (Pages 62 - 65)

Page 66 Page 68 1 Mario H. Capogrosso Mario H. Capogrosso 2 Clerks probably didn't like it. 7 I wrote and I explained everything that I 8 saw. And they all told me they have no 9 jurisdiction over this tribunal and what goes 10 on.

- 11 And so my next question is, this 12 time when you saw Judge Gelbstein speaking 13 with Judge Bohmstein and doing this with the 14 cases, when was that, approximately?
- 15 That was right before this 16 happened that I got removed. It was maybe a month or less before I got removed, May 11, 18 2015.
- 19 So April or May of 2015? O.

- 21 Do you have any reason to believe

- A. As an attorney, if you to tell me 25 how do I get a piece of the action, if you

Mario H. Capogrosso

1 Mario H. Capogrosso 2 those adjournments and guilty pleas were 3 correct?

4 Α. No, I said I have no idea. 1 5 reported what I saw and heard. That is it.

I have no idea what he was doing. 7 I don't know. I never questioned him about

8 it. At that point, I just threw my hands up. 9 I don't know what he was doing. I reported

10 truthfully what I heard and what I saw. That 11 is not my job to make this investigation. It

12 is not my job.

13 Q. So lastly you mentioned one other 14 incident, when you say someone said that he 15 was covering a case for Judge Gelbstein.

Can you explain to me what you 16 17 are discussing there?

18 We both put a ticket in.

19 Sometimes clients they hired two lawyers

20 because they lose track of something. They got two lawyers on the same summons. We both

22 put the ticket into GE, into the courtroom.

23 I go in the courtroom, the clerk 24 or the court -- and it has happened several 25 times. There is a lot of clients, a lot of

Page 75

Mario H. Capogrosso

2 motorists. Sometimes they hire the same

3 lawyer. There are lawyers on both -- there

4 is two lawyers on the same ticket, for

5 whatever reason.

So I will go up to this other 7 attorney. I said, what is going on? And he 8 tells me, I am covering the case for

9 Gelbstein. I said, do what you gotta do.

10 And I pulled off my ticket, and I 11 said, you want to cover it, go ahead.

12 And then I am thinking back to 13 myself, what is going on here? You are 14 covering the case for Gelbstein. Who am I 15 going to report it to? I am going to report 16 it to Judge Gelbstein. Who is listening to 17 these complaints?

18 I reported it to Bushra Vahdat. 19 Who wants to listen to these complaints, so I 20 let it go.

21 Q. So, Mr. Capogrosso, first of all, 22 who is the attorney who said he was covering

the case for Judge Gelbstein? 24

A. Eugene Gerbasi. 0. Eugene Gerbasi.

3 tell me you don't know what they do for a 4 living, but they are friends of your wife, 5 and you don't know what they do for a living; 6 when you have a discrepancy with another 7 lawyer, and he tells me I am covering the 8 case for Gelbstein, and then you see this 9 happening in the GE, and then I make 10 complaints and complaints and complaints 11 against concerning the action of Defendant 12 Smart, right, and he laughs and giggles and 13 tells me a spade is a spade, and he doesn't 14 respond to any of the complaints, right. The harassment continues. The 15 16 man wants me out. The man wants me out. He 17 doesn't me to see what he is doing. He wants 18 me out, and he got me there. 19 I appreciate that, 20 Mr. Capogrosso, but the question was a little 21 bit more narrow than that. These specific adjournments and 23 these specific guilty pleas in this

25 Judge Bohmstein, do you know whether or not

15 As well as being a judge. Yeah. 16 that is my opinion. That is my opinion. I 17 don't know if it is true or not. That is not 18 my job. That is my opinion. I don't know if 19 it is true. I don't know if that is true. I 20 reported what I saw and what I heard.

21 But you never saw Judge Gelbstein 22 arguing a case at the TVB or representing a 23 client at THE TVB; is that correct?

24 No, I never saw him do that. No.

25 Q. Let's take a step back. 15 I want to clear my name. I think 16 I was set up. I think Judge Gelbstein and 17 all these other parties wanted me out because 18 I wasn't playing the game. 19 And I want to clear my name. I 20 want to get back to work. I want the money 21 that I lost. And I think whoever did this. 22 especially if they are judges, should get 23 punished. They should not be a judges, and 24 they should not be represented --25 O. I think the question was a little 22 It is not right. 23 bit narrower, which was how did you charge 23 Is there any legal authority for 24 for your services? Did you bill by the hour? 24 you to redact that? 25 No. each ticket. Each ticket. It is just client information. Page 107 Page 109 1 Mario H. Capogrosso Mario II. Capogrosso 2 Q. So you billed by the ticket? 2 It is privileged information. I am not going 3 Yeah. 150, 250. The total was 3 to give you my client's phone numbers. I am the amount I billed. That column that says 4 not going to do that. I don't think it's 5 total, that is the amount that I charged. 5 appropriate, or their name. It is not 6 And how did you know how much to 6 appropriate. To me, it is privileged information. 10 If the case was in Brooklyn 10 Did you seek -- did you seek a 11 South, and it was that day, normally I 11 protective order or confidentiality order? 12 charged a hundred. If it was -- you know. 12 Α. No. I did not. 13 other than that, I normally charge 150, 13 All right. So I will show you, Ο. 14 because the case, like I say, got pushed out 14 Mr. Capagrosso, in what you produced to us. 15 several times over. 15 the pages there is a gap between pages 201 16 If it was that day, it was 16 and 206. I didn't scan it and send it to you.

28 (Pages 106 - 109)

25 I walked this down to your office.

25 That is pretty much how I did it.

Page 110

I Mario H. Capogrosso

- 2 Maybe the person who scanned it 3 didn't scan it in properly. I didn't leave
- 4 out anything. None. Maybe somebody in your
- office that scanned it improperly.
- 6 Okay. So you are confident --
- 7 A. Yes, I am. Absolutely. I left 8 nothing out.
- You are confident you produced Ο. 10 everything, correct?
- 11 Yes. And I will get you those
- 12 missing pages, I will. I don't think I
- misnumbered this.
- 14 So you indicated that the lost
- 15 revenue was \$122.715 for 15 months; is that 16 correct?
- 17 Α. That was the money remaining on 18 my docket, yes, that I couldn't finish.
- 19 Q. And did you divide that by adding 20 up this column paid?
- 21 No, the total column, total.
- 22 Q. So did that assume that everyone
- 23 was going to pay you what they owed?
- 24 Yes, the money that was due.
- 25 O. Does everyone always pay you what
- 25

Page 111

Mario H. Capogrosso

2 they owe?

- 3 Yeah, for the most part. My 4 clients are very -- for the most part, yes. 5 Yes.
- 6 Q. But sometimes people don't?
- A. For the most part, my clients
- 8 paid me. They liked me, and they paid me,
- 9 and they respected what I did for them in a
- 10 courtroom, they did. I rarely had a
- 11 problem --
- 12 O. Wouldn't it be true that --
- 13 wouldn't it be true to say that sometimes
- 14 clients don't pay what they owe?
- 15 For the most part, my client
- 16 always paid. They paid.
- 17 But not always, correct? Ο.
- 18 I don't recall when they didn't.
- 19 I really don't.
- 20 My clients paid me. They liked
- 21 me, my clients. They respected what I did
- 22 for them in a courtroom, and they paid me.
- 23 So you indicated that \$122,715
- 24 figure was lost revenue.
- 25 What were your expenses for your

2 practice?

- 3 Α. I had a -- I had a virtual office
- 4 up in Hawthorne, Connecticut, where I
- 5 received mail, where I can receive clients.
- 6 You can use the conference room. I had my
- 7 home office I used. I had an apartment in
- 8 Brooklyn at the time. I had travel expenses.
- 9 I had my home -- we have the home up here in
- 10 New Rochelle. What else? Travel expenses.
- 11 What else do you have? You have the bridges
- 12 going back and forth, gas, the tolls. That
- 13 is it, normal operating expenses.

14 Laptop, desktop, copier, paper.

15 You know, my dues, my association dues to

practice law, my license dues, my CLE dues,

all that stuff.

- 18 O. So why didn't you include your 19 expenses in your calculation?
- 20 I didn't think I needed to.
- 21 My expenses are my expenses.
- 22 That is the total money that I
- 23 was owed.
- 24 My expenses are my expenses.
 - But if you weren't practicing

Page 113

Mario H. Capogrosso

- 2 law, didn't you not need to pay for a great
- 3 deal of those expenses?
 - A. What does that have to do with
- 5 the money I could have generated? I don't
- 6 understand. It is not relevant. Has nothing
- 7 do with my expenses, with the money I could
- 8 have been given. Nothing to do with it.
- So it is your testimony that it
- 10 wouldn't have cost you any money to make this 11 money?
- 12 Α. It would have cost me money to
- 13 make this money.
- 14 So why didn't you include your O.
- 15 expenses in your calculations of your damage?
- Including my expenses, I didn't
- 17 think it was relevant. That is the money I
- was owed. To me, it is not -- why expenses
- 19 should be taken off of the total revenue to
- 20 me, it was not relevant. That is the money I
- 21 was owed.
- 22 O. Okay. And in terms of --
- 23 Α. Wait. Wait. Let me think
- 24 about this question for a minute.
- 25 O. Sure.

So the actual income that you ۸. 21 would report on your taxes would be lower; is 21 Connecticut. 22 that correct? 22 Q. Didn't you say you had a place in 23 Connecticut where you received mail? 23 Α. Yes, lower. Because that was the A. No, no, no, no.
